Experience

City of West Haven   West Haven, CT
Head Lifeguard   February 2023 – Present
- Attained a Red Cross Lifeguard, CPR, and AED certification.
- Began working as a lifeguard and was promoted to head lifeguard within 2 years.
- Governed entire beaches with as many as 300 patrons. Handled situations with enforcing rules and regulations.
- Directed and taught new guards the schedule and ordinances for each beach.

Projects

DAE   New Haven, CT
React based responsive website and database.   January 2023 – June 2023
- Built a responsive website using React and Google Firebase.
- Learned languages and tools such as HTML, CSS, Javascript, Bootstrap, Github, React, and Google Firebase.
- Lead daily meetings at the end of the program day and engaged with fellow students.

DAE   New Haven, CT
AI powered facial recognition camera   September 2023 – June 2024
- Designed an AI powered facial recognition camera using Arduino and Husky Lens.
- Connected it to the Arduino cloud and designed a physical dashboard with a breadboard.
- Collected, processed, and displayed data from the camera.

DAE   New Haven, CT
Climate Tech designed application   January 2025 – March 2025
- Researched areas of the climate technology field and found gaps in that area.
- Learned the design process including empathy, audience, practicality, and implemented that into my work.
- Designed a solution based on those gaps and consulted professionals on its feasibility and chance of success.
- Created a base model prototype and presented it at the end of year event.

DAE   Stamford, CT
All in one CLI penetration testing tool   June 2025 – November 2025
- Learned proper code documentation in the workplace and workforce development skills.
- *Designed an All in one CLI pentesting tool. *to be done in future**
- *Worked with a professional team and collaborated on long term projects. *to be done in future**
